COUNTY ATTORNEY SEEKS RE-ELECTION

Ed Gunn, County Attorney, will be a candidate for another term in this office subject to Democratic primary to be held on Saturday, July 22.

In making his formal announcement for the nomination Mr. Gunn supplements an earlier statement made in March at which time he said he would be a candidate in the July primary. The people of Milam County will be glad to know that he will be a candidate to succeed himself in this important office because of the good record he has made. In recent weeks Judge Gunn as he is known to thousands throughout Milam County and Central Texas has been ill and has been absent from his office but is greatly improved and now able to resume his duties.

Friends and supporters were pointing with pride to his record in this office as disclosed in a summary of cases in which he represented the State during 1949, when again resumed the work he had previously done as County Attorney. This record, published in this newspaper reflected unusual devotion to duty with the result that all criminal cases tried resulted in conviction and there were no reversals in the Court of criminal appeals.

Judge Gunn, for many years has been a widely known figure in official and legal circles in Milam Coun-

MOTHER OF MR. EIXMAN DIED IN ROSEBUD

Mrs. Doris Eixman, 81, died in Rosebud Hospital Wednesday, April 26, 1950 after a weeks illness.

Mrs. Eixman was born in Germany and came to this country with her parents at the age of 2 years. At the time of her death she was making her home in Shelby, Texas in Austin county. She was the mother of Bruno Eixman, business man in Cameron.

Among her survivors are the following children: Mrs. Ida Pfieffer of near Oeniville, Henry J. Eixman of Rosebud, Mrs. Janie Hensel of Sneeds Ranch, Bruno Eixman of Cameron, Walter Eixman of Arlington and Raymond Eixman of Goose Creek. Her husband preceded her in death 23 years ago.

She is also survived by 15 grand children and several great grandchildren .

Funeral services were to be conducted at Nicholson's Funeral Home in Rosebud and followed by final rites at Shelby, Texas where interment will be made.

WINNERS IN DIST. 21-A MEET ARE ANNOUNCED

First place in the one-act play contest in the district 21-A meet in Georgetown Saturday went to University Junior high of Austin with their presentation of "Little Women." Placing second with "Uncle Jimmie" was Rosebud, and Georgetown placed third with "The Bishop's Candlesticks." Critic-judge was Loren Winship of Austin.

Named to the all-star cast were Jack Currier of Georgetown, Bill Hays of Belton, Joe Mears and Nettie Thrasher of Rosebud, Joyce Shapland of Killeen, and Jean Neal, Carol Faust, Sandra Amic and Becky Thomas of Austin. Named as best actor was Carol Cavness of Austin and Richard Schigut of Rosebud.

Other winners in the literary events included:

Girls debate, Taylor first, Rosebud second; boys debate, Georgetown first, Taylor second.

Senior girls declamation: Felicia Melburn, Georgetown, first; May Frances Hensley, Cameron, second; Jeanina Brown, University Junior high, Austin, third.

Farm Bureau Slates Big Quartet Program Here Friday Night

Members of the Milam County Farm Bureau hav eplanned a big entertainment for Friday night, April 28 when the Imperial Quartet will be here.

The Quartet under the leadership of Marion Snider, are appearing in person for the first time in this County. The program will be given at Simon-George Catholic Memorial Hall beginning at 8 p. m.

The Quartet is widely known because of its radio program at 11:45 a. m. each day over WFAA in Dallas.

S. W. McClaren, president of the Farm Bureau and Mrs. James Elrod, Secretary of the Bureau were pleased over prospects for a good reception for the celebrated Quartet.

Tickets are on sale at the Farm Bureau office on North Houston Ave. Proceeds from this entertainment will be given to a fund to purchase medicine for charity ward in local hospitals.

Plans Nearing End For Community Work Clinic Here May 2 and 3

President W. L. McIntosh of the Cameron Chamber of Commerce has announced that plans are nearing completion for the community work clinic to be conducted in Cameron on Tuesday, May 2nd and Wednesday, May 3rd. "The purpose of the clinic", he says, "is to give opportunity to citizens of Cameron to discuss and make suggestions for the program of work the chamber of commerce will undertake for the development of the entire community."

The clinic plan for making a chamber's work program is thoroughly democratic and calls on all citizens of the community to give the best thought they have at the time of group conferences for the betterment of Cameron and trade territory. These group conferences will be conducted in the District Court Room of the Court House on Tuesday and Wednesday at 9:30 a. m. and 3:30 p. m.

Everyone is invited to attend these conferences and present their ideas and suggestions at the time given. Ladies will meet in the Business and Professional Womens Club room on Tuesday at 7:30 p. m. and there will be an Agricultural group meeting in the District Court Room at 7:30 p. m. on Wednesday night.

Mr. Charles C. Berry, Organization Manager of the East Texas Chamber of Commerce, will be here to conduct the program of work clinic and the following group chairmen have been selected to serve in the capacity of getting townspeople out to attend these meetings: Leo Fuchs, L. W. Smith, A. W. McCullin, J. D. Moore, J. C. Andres, O. B. Horstmann, Earl Curtiss, Dr. George Bowman, N. L. Caperton, and Albert Collins.

Farmers of Cameron Trade territory will meet at the District Court Room of the court house on Wednesday, May 3rd, at 7:30 p. m. for the purpose of making agricultural suggestions to go into the Cameron Chamber of Commerce program of work. In many communities where such a program of work clinic has been held as planned for Cameron, leading farmers and stockmen have given good attendance and made some of the best suggestions during the clinic days. Farmers of the Cameron territory can be counted on to do as well as they have at any other place. One thing certain, farmers of this section know the value of a Chamber of Commerce and are quick to take hold of any program the business men offer to help them with.

The chairmen for the farmers group conference are Leo Fuchs and J.D . Moore, and they are busy contacting farmers from all parts of the territory for attendance at the meeting. They expect not only a large meeting of farmers but predict after the meeting they will be able to turn to the board of directors of the local chamber as many and as good suggestions for the work program as any other group during the clinic.

Thorndale Bank Bids Low on Milam Warrants

Milam County road and bridge time warrants in the sum of $20,000 were given the Thorndale State bank at a special meeting of the commissioners' court in the courthouse last Tuesday morning.

The bank, low bidder for the warrants, will have them at an interest rate of 2.5 per cent.

H. H. Coffield Named To Boy Scout Post

H. H. Coffield, of Rockdale, national representative and immediate past president of the Heart O' Texas Council of Boy Scouts, was elected vice chairman of the Region 9, Boy Scouts of America during the closing session of its nnual meeting Wednesday in Oklahoma City.

Mr. Coffield and Scout Executive Harvey L. Price along with several other council members attended the convention.

HENRY G. LEHMAN ASKING RE-ELECTION

Henry G. Lehman of Giddings today authorized the Herald to announce his candidacy for re-election to the office of Flotorial Representative 65th District, composed of Milam, Burleson and Lee Counties, subject to the action of the Democratic primaries. Henry G. Lehman is well know throughout this district and is recognized as a hard worker, as well as one of the outstanding lawmakers, due to his experience and leadership. He has been honored with appointments of chiarman and vice-chairmanships, as well as a member of some of the most important committees in the House of Representatives. If re-elected he will have the honor of becoming Dean of the House of Representatives, having served consecutively longer than any other member in the body. In making his announcement he said:

"I am indeed grateful to the people of Milam County for the consideration they have give me and for allowing me the honor of serving them in this capacity. Words cannot express my feeling of appreciation and gratitude for the loyal vote and support Milam County has given me, better qualify me to discharge the and in return I have been ever mindful of the trust placed in me while discharging the duties of this office, and I have met these responsibilities to the best of my ability and understanding.

In seeking re-election, I ask the people of Milam County to return me to the House of Representatives. My record of service, experience, and understanding of conditions previaling

O. J. Thomas Faculty To Prsent 3-Act Drama

On Friday, May 5, at 8 o'clock, the O. J. Thomas faculty will present 'Betty Jane From Punkin Lane", a comedy drama in three acts. This is not the first dramatic presentation by the faculty. The one-act drama, "Stoney's Bridges", which was staged by the faculty a few years ago, will long be remembered. This, however, is the first attempt at a play of such length.

"Betty Jane From Punkin Lane" is a heart-warming story of life that is sure to capture the hearts of all drama lovers. How Betty (Miss V. Ritcherson) and her lovable aunt (Mrs. L. C. Palmer), aided by Harvey Higgins (C. L. Sadberry), the city gentleman, manage to out-do the squire (E. L. Aycox), who attempts to beat them out of their property weaves a plot that carries suspense from beginning to end.

Laughs are furnished by Johnny Finch (D. S. Poole), the village chore boy, and Prudence Putter (Mrs. L. B. Montgomery), the old maid who is in love with Hank Hardwater (T. W. Moore), while Ketchy Finch (Miss G. D. Crawford) and Martha Simmons (Mrs. H. L. Burks) portray the rustic beauty of country life. Gordon Gilbert (L. Randall), the city artist, and his sister Gertrude (Mrs. M. L. Humphrey) add romantic interest to the play as they find and accept love in the country much to the dismay of their city mother, Mrs. Gilbert (Mrs. R. E. Hall).

The play under the direction of Mrs. L. M. Shepard will be staged in the auditorium of the O. J. Thomas School, Mr. C. L. Sadberry, Principal. Adult tickets are on sale for thirty-five cents.

PERKINS IS NAMED

L. Van Perkins has been named County Representative on the East Texas Chamber of Commerce Board. The appointment was made at the recent convention held in Tyler. Mr. Perkins has been active in Chamber of Commerce work in Cameron and is a former Secretary here.

YOE HIGH SCHOOL BAND TO PRESENT CONCERT

On next Tuesday evening, May 2, at 8 o'clock, in the Yoe High School gymnasium, the High School band will play a short concert program. This concert program will feature the three numbers which are to be performed at the Region 3 Band Contest in Waco next May 6. Other numbers on the concert program will include marches, popular tunes, and tone poems.

This concert is free of charge, and the public is invited to hear it. It will last approximately 45 minutes. The concert will be under the direction of Francis Cox, Band director.

GRADY ALLEN, DISTRICT CLERK, FOR RE-ELECTION

Grady Allen, clerk of the 20th Judicial District, is a candidate for re-election subject to the Democratic primary to be held on Saturday, July 22.

In seeking the nomination for another term Mr. Allen said he was deeply grateful for pledges of support from all sections of the County and friends were pointing to his record of service in this office to justify the support he is receiving for re-election.

Mr. Allen is not unmindful of the obligation he owes to the people for their cooperation, to the District Court and to the members of the Bar. He expressed his appreciation and pledges his best efforts to continue the good record he has made in his office.

The office of District Clerk is one of great importance in its relation to the Judicial District and to a complete record of the court both in criminal and civil matters. In order to achieve such a record devotion to duty is required as well as a complete knowledge and understanding of the important details. Mr. Allen as a result of his experience in this office will be able to serve with increasing efficiency and by doing the work himself saves the tax payers a considerable sum each year.

Mr. Allen is very popular with the people of the County, has the confi-

Fellowship Day To Be Observed May 5 At First Methodist Church

May Fellowship Day, May 5, will be observed by the church women of Cameron at a luncheon in the First Methodist Church at 1 p. m. All fomen are urged to attend and will register in the ecumenical register to be launched next month. Mrs. Julian F. Williams of Waco, recording secretary of the state Council of Church Women will tell of the registry plan.

Contributions will be taken as "a token of thanksgiving for our growing unity". These funds are to be used for projects which church women have long hoped to develop; provide more leadership and help for all the state so councils may increase and grow in united Christian usefulness; promote an ever growing understanding of the Ecumenical Church; particiapte in the world council of churches through the commission for women's work; and be ready for the unexpected opportunities which will arise under God's guidance as the women work to gether in their new unity.

Mrs. J. L. Callaway is chairman of the local council of church women and has an able corps of workers from the portestant churches of the city who are helping to plan to May program.

Jaycees Meet In Regular Session

A regular meeting of the Junior Chamber of Commerce was held Thursday evening at the Corner Cafe with 20 members present.

A regular business meeting was held with a discussion of the outcome of the Water Bond election. The Jaycees also discussed the membership drive to be held in Cameron soon.

At the conclusion of the program a meal was served.

Recent guests in the home of Mrs. W. A. Morrison were: Mrs. C. K. Stribling and daughter, Mrs. Brownie Lawrence and Mrs. David McGuire and children of Bryan.

Milk Bowl Game Date Being Considered

Friday, December 29th will get serious consideration as the date for the playing of the Milk Bowl game, National classic for "small fry" elevens played annually at Cameron, according to word from the Milk Bowl, Inc., Gause.

The reasons in favor of that date are the following: the weather at that time is usually crisp but not rainy, there is little possibility of a conflicting game; it is not a religious or semi-religious holiday; school children will be on Christmas holiday; the out of state team would have adequate non-school time for travel; business houses in Cameron could have a big Saturday; Special trains could be easily arranged and there would be nothing to cancel plans for major station, play by play broadcast. Being New Years week end, it is the traditional time for a Bowl game.

Decision should be made in a few days by the Board of Directors at Gause.

MAYOR GREEN GIVES REASONS FOR DELAY

Mayor A. N. Green told this newspaper early Saturday that he was leaving the city for Oklahoma City to visit with relatives and to get a much needed rest.

Mr. Green will meet with officials of the Community Public Service Company in Fort Worth next Wednesday to talk over what he said were necessary agreements before he could proceed to officially sign and execute papers incident to the purchase of the water plant in Cameron.

It was understood that Engineer Joe Rady and a representative on the bond buyers might also attend the conference.

Mayor Green said that the city had no contract with the water Company for the purchase of the plant, that the only agreement was verbal. He said that under these circumstances he felt the whole transaction should be based upon a written contract. In addition Mayor Green said that officials of the Water Company in Fort Worth, one of whom having visited him here Friday had stated that no contract had been entered into.

This newspaper in an effort to get at the facts telephoned Mr. Green to ask about the Fort Worth meeting. When asked if he thought there was a possibility that the city might not get the water plant, Mayor Green said he did not think so, that any delay is simply a matter of applying business and legal safeguards before any bonds are turned over.

Mayor Green said that he had been talking with representatives of the utility company and all of his transactions were being directed on the assumption that the purchase will be made.

There was some speculation whether private capital or utility interest might be interested in the plant here and whether or not they could be attempting to intervene as a final effort to keep the city from buying the plant. Since this is speculation only developments will clarify the atmosphere.

Confusion resulted here Thursday when a representative of the bond buyers, in the usual routine procedure, asked for a certified copy of the returns of the election together with such other documents as are customary to be executed in such cases. Mayor Green declined to call a meeting of the Council and after members of the Board of Aldermen had convened at the city hall one of the members with the bond representative went to Mr. Green's residence but the Mayor said he could not proceed with the record until he obtained all the facts.

Mayor Green's actions was not understood and may have given rise to a feeling that he was still opposing the purchase not withstanding the fact that the people had voted almost 3-1 to buy the water system.

Members of the Board of Aldermen, were entirely correct in their position and recognize that officially the Mayor of necessity under the law must give his official signature. The accepted routine is procedure, as requested, to perfect the record as it will take some time to prepare bonds for final delivery. It is generally accepted that all matters incident to Council action at this time must now await the regular meeting in May.

CARL C. BLACK SEEKS RE-ELECTION SHERIFF

Sheriff Carl C. Black, will seek the nomination for another term in the office subject to the Democratic Primary election to be held on Saturday, July 22.

Mr. Black, who has enjoyed a major of distinction and popularity accorded few who have held this important office, was deeply gratified over the response that has come from all sections of the county as the result of his decision to seek another term.

Mr. Black, in seeking re-election merits the commenditation that is coming from friends throughout the county who appreciate his services in this office and who do not hesitate to say that his record during the short period of time he has held this place in the county government will bring to his candidacya strong appeal for his re-nomination.

Mr. Black as a young man has given vigorous administration to the duties of his office and has become widely known as the hardest working sheriff in central Texas. Unusually active Sheriff Bltck finds time and pleasure in helping many people and because his disposition to be both friendly and co-operative has found a large place of service to the people and his popularity grows daily.

As Sheriff, Mr. Black has performed his duties well and has estab-

(turn to page twelve)

THUNDERSHOWERS FALL OVER WIDE TEXAS AREA

Thundershowers fell in a wide area from Mineral Wells through East and Central Texas Sunday. They began to fall about midafternoon and Cameron received .94 inches.

The weather was warm and cloudy to party cloudy all over the state. There was some prospect of a few showers in West Texas. Junction had a thunderstorm, with no rain, but showers in the vicinity.

Among points reporting thundershowers were Mineral Wells, Fort Worth, Dallas, Waco, Austin, San Antonio, and Bryan.

Laredo had a midafternoon temperature of 91. The reading at Amarillo was 88. Other readings ranged in the upper 70s to mid-80s.

Winds—the sort that whipped prairie fires in the Texas Panhandle Saturday—had died down in the Panhandle to light breezes. But velocities of 20 to 30 miles an hour were reported in other parts of the state.

Officers And Men Will Go To Camp Hood May 13

the officers and enlisted men of Battery C, 649th Anti-aircraft Artillery Battalion will attend a course in small arms firing on the rifle range at Camp Hood which is scheduled for the week-end of May 13 and 14, Captain Rudolph Michalka has announced.

The course will include familiarization firing with Thompson machineguns by all members of the unit, and firing for a record by drivers and key personnel. Possibly firing with carbines also will be included.

As was done last year, Battery C will make the trip to Camp Hood in its own vehicles. There it will bivouac in the field overnight, sleeping in pup tents and eating in a battalion mess tent .

Capt. Michalka also stated that small arms firing is being conducted at present by Battery C on its newly installed indoor range at the armory. Some high scores have been reported and will be announced as soon as all members have completed the course.

Delphians Set Date For Flower Show

Cameron Delphian Club has reset the date for its fourth annual flower show which was postponed from April 18 because of rains. The show will be held on May 9 at First Methodist Church and the public is invited to participate by placing flower or horticultural exhibits and by attending the free show.

Mr. and Mrs. Thompson Kemp of Dublin visited his mother, Mrs. Jeff T. Kemp here for a short visit before going to Houston where they will visit Mrs. Kemp's parents.

MR. DAVANEY BURIED THURSDAY AT MARLOW

R. H. Davaney, 87, died of a heart attack, at the home of his daughter Mrs. Ollie Pruitt in Baytown early Wednesday morning.

Mr. Davaney was a resident of Cameron and had been visiting in the home of his daughter for a few days.

Among his survivors are two daughters, Mrs. Virgil Coward of Cameron and Mrs. Ollie Pruitt of Baytown and one son, Hugh Davaney of Baytown.

He is also survived by three grandsons: Bob Hensley, Eugene Davaney and W. C. Davaney two grand daughters, Doris Davaney and Janice Pruitt, all of Baytown and one great grandson, David Davaney.

Funeral services were held from the Chapel of Marek-Burns Funeral Home at 2:00 p. m. Thursday, April 20, 1950. Burial was made in the Marlow cemetery.

Mrs. Will Lake is ill and a patient at Newton Memorial Hospital.

Gause Man Quits Race Favors Senator Vick For Lieut. Governor

E. C. Weafer of Gause, Milam County, Saturday announced his withdrawal from the race for Lieutenant Goveronr and cast his support to Senator Kyle Vick of Waco.

"Because of my present duties as promotional director of the Milk Bowl a national classic for small fry elevens played annually at Cameron, I am withdrawing from the race for Lieutenant Governor," Weafer said.

"I have made, however, a study of the qualifications of the other candidates for the office and find that I am enthusiastically in favor of Senator Kyle Vick of Waco."

Weafer announced several weeks ago that he would seek the post of Lieutenant Governor of Texas, and has been listed as a major condidate in the race.

Weafer is the idea-man for the Pee Wee football game played annually in the Milk Bowl for young gridiron stars of 14 years and under.

Mrs. Alfred Price is a patient at Newton Memorial Hospital.

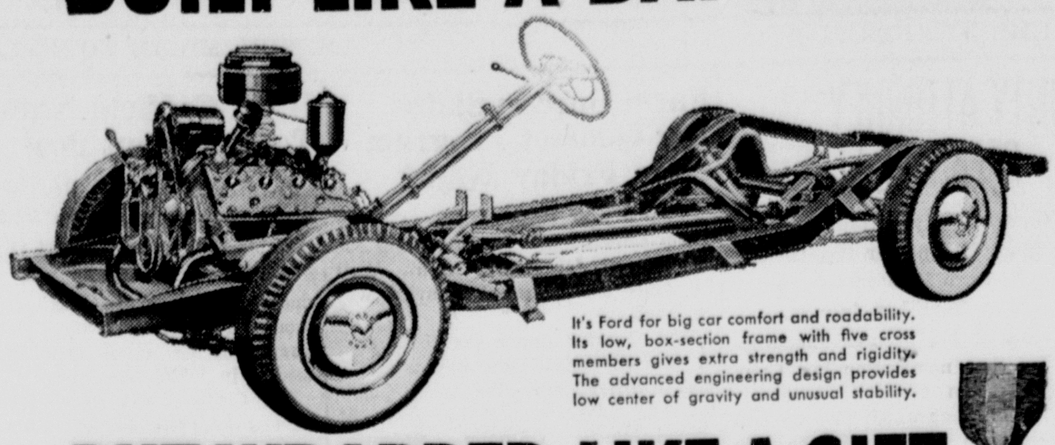

Clifford Thompson of Waco visited in the home of his mother, Mrs. Viletty Thompson here Tuesday. Mr. Thompson is employed by the Brazos River Transmission Electric Corporation in Waco.

TELEPHONE CO. PAY SCALE IS EXPLAINED

Present Telephone Wages and Working Conditions Are Good. It is the company's policy to pay wages which compare favorably with those paid by other businesses in the community for jobs requiring similar skill and experience. Wages and working conditions now in effect are in very good relation to prevailing wages here.

Telephone employees get regular raises on a scheduled basis until they reach top rates for their jobs.

Telephone Wages Have Improved Substantially in Recent Years. Telephone employees' wages are up 94.4 per cent since January, 1941, when rise in cost of living began. Cost of living up only 66 per cent during same period.

Thus, actual wages of individual workers have increased far more than the cost of living.

Employees who were with the company two years ago received an average 10.55-cents-an-hour increase when new contract was negotiated in 1948. Those not at top rates also received an average of 5 cents an hour in progression increases in 1949.

Thus, 3 out of 4 have received increases totaling 15.55 cents per hour since December 1, 1948.

The Company Proposed Basis of Settlement Means Wage Increases Would Continue. Company's offer to extend present contract would mean 3 out of 4 employees would get increases this year which, averaged over all employees, will amount to $2 per week per employee.

Would mean retention for employees of their present favorable wage rates and working conditions.

Benefit and Pension Plan One of Best—Recently Improved. Minimum pensions increased last November to $100 a month (including social security) at age 65 with 20 years' service.

Many employees get substantially higher pensions.

Plan includes liberal sickness benefits—full pay for as long as a year, depending on service—plus disability and accident benefits, and death benefits of as much as a year's pay.

Time-proved—financially sound—Company pays all costs.

Many other unions still trying to get benefit and pension advantages telephone people already have.

Telephone Job Is Steady, Year-Round—Has Many Advantages. Offers opportunity to advance in up-from-the-ranks business—thousands of our employees are promoted to better jobs at higher pay each year.

Seven paid holidays a year. Paid vacations, 1 to 3 weeks.

Low labor turnover—less than half that of manufacturing industries—indicates telephone people like their jobs.

Union Demands Would Mean Higher Rates to Telephone Users. Present annual cost of seven general wage increases granted in last ten years is $76,000,000. This is three times the $25,000,000 company has been granted in rate increases. Company hasn't caught up with past wage increases.

Earnings of Southwestern Company in 1949 were at rate of 3.86 per cent on capital invested in the business. This is lowest level in history.

There is clearly no margin to absorb a wage increase.

Further rate increases needed now to pay for past wage increases, to say nothing of all the other increased costs of providing telephone service.

The Union has given no justification for a wage increase, and the company can find none. It would be unfair to ask telephone users to pay higher rates in order to put telephone workers in a preferred or "premium" pay category.

Red Cross Home Nursing School To Open Here Soon

A home nursing course under direction of American Red Cross will soon begin in Cameron.

Miss Beth Olmsted, out of the St. Louis office of the Red Cross arrived in Cameron Friday to begin preparation for the school. Mrs. Arolph Winfield, chairman of the Home Nursing committee for the Milam County Chapter and Mrs. F. E. Jackson will be instructors when the courses are started.

Plans are still in progress for the courses to be given and it was expected that opening date for the school should be announced in a few days.

Cameron Man Is Fined $200.00 On Drunk Driving Charge

Thomas Williams, of Cameron was fined $200.00 in County Court here Monday on charges of driving a car while drunk and without a drivers license following his arrest here Saturday.

Williams was arrested by Jack Higginbotham, Highway patrolman who filed charges after Wliliams had been involved in a car accident on North Fannin ave. His car and a pickup driven by Commissioner, W. W. Markham were involved in a head on crash.

Williams was slightly injured and later placed in jail. He entered a plea of guilty and Judge Dan Tyson imposed a fine of $200.00 to which the costs of court were added.

Mr. and Mrs. Royse Bomar of Three Rivers spent Sunday with Mrs. Bomar's brother, J. B. White.

Miss Vivian Carleton spent the week end with her sister, Mrs. Arthur Kuehl in Waco.

Pvt. Albert Zajicek Now At Lackland

Pvt. Albert W. Zajicek, 19, son of A. W. Zajicek of Buckholts has begun a thirteen week course of indoctrination training at Lackland Air Force Base, "The Gateway to the Air Force," San Antonio, Texas.

In the basic training at Lackland he will receive a well rounded military preparatory schooling for progress in a specialized Air Force career. During this initial course he will be given complete vocational and aptitude testing along personal guidance counseling to determine his entrance into a suitable technical training assignment on leaving The Gateway Base.

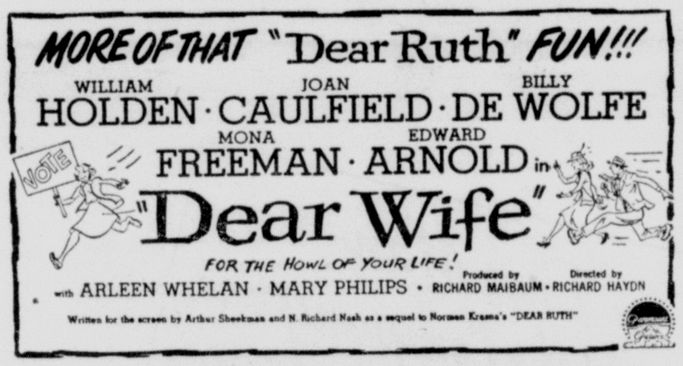

Besides constituting the only Air Force station for indoctrination training of all new airmen, Lackland is a reassignment and training center for re-enlistees, home of USAF Officer Candidate School and the Human Resources Research Center.

Cameron Defeats Rosbud 6-5 Thursday

The Cameron Yoemen climbed into a third-place tie with Rosebud in the District 21-A baseball standings by downing the Black Panthers, 6-5, here. Unbeaten Belton still leads the district with Taylor close behind.

Pitcher Gerald Heck was Rosebud's star even in defeat. He got two of his team's three hits, including a homer with the bases empty in the second inning. In the final inning, Rosebud threatened, scoring three runs on two walks, an infield error, and Heck's two-run single.

The Yoemen scored twice in the first inning on successive singles by Glenn Rosenburg, Roy Thompson, and Jimmy Thompson sandwiched around a passed ball. Two more Cameron runs scored in the third inning on a walk, pitcher Richard Wilkinson's double, and Rosenburg's single. The final brace of Cameron markers came in the fourth frame when Gordon Gibson walked and Ruben Tomez and Melroy Eixman hit singles.

Rosebud	011	000	3—5	3	2
Cameron	202	200	x—6	7	3

Heck and Schneider: Wilkinson and Maas.

Mr. and Mrs. B. F. Bonds have returned from a pleasant visit in San Antonio.

Credit School Classes Well Attended Here

Over thirty-five merchants, employees and member of the Milam County Vocational School attended the first session of the Retail Credit School being sponsored by the Chamber of Commerce in cooperation with the Division of Extension of the University of Texas.

Mr. Sterling S. Speake, Credit Specialist of the Division of Extension, is conducting the course and important factors in conducting a successful credit business was the topic of discussion on Monday night. Speake stressed points that are vital to Cameron merchants carrying on credit business such as; general business conditions in Texas by types of business, the credit trend, problems affecting credit, solution to credit problems, the ratio of credit sales to total sales and the ratio of credit collections to total credit sales. Another important topic was the outlook for credit sales and their influence on business. These classes will be continued through Friday night.

Any merchant or employee desiring to enroll in this school, who were unable to attend on Monday, may come on Tuesday night and enroll. If four lectures are attended, you will be presented with a certificate that you have satisfactorily completed a course in Retail Credit. Classes begin promptly at 7:30 p. m. and are held in the dining room of the Milam Coffee Shop.

THEIR MAJESTIES, KING AND QUEEN OF COTTON — Miss Docia Schultz, junior Texas State College for Women student from Garland, and Nelson Brunneman, senior Texas A&M agronomy major from San Benito, will reign this year as king and queen of A&M's annual Cotton Ball, April 28. Brunette Miss Schultz was chosen recently from thirty-two TSCW nominees by nine A&M judges to accompany King Brunneman.

Cool Wave Moves Deeper Into State

Blowing dust subsided in the Texas Panhandle and South Plains Monday afternoon as a fresh cool wave moved deeper into the state.

Gusty northwest winds accompanying the cool wave had whipped up dust earlier in the day, reducing visibility at Childress, Clarendon, Amarillo and Lubbock.

The newest front was expected to bring rain to East Texas.

Mr. and Mrs. Bill Culver of Houston who have been visiting her mother, Mrs. M. W. Price will visit relatives in Temple before returning to their home.

Mr. and Mrs. Miller Garner of Houston visited Mr. and Mrs. E. L. Rutherford here a few hours Friday.

Mr. and Mrs. Walter Bussell of Houston are guests of Mrs. Bussell's mother, Mrs. Dora Hinton and Miss Myrtle Hinton for a few days.

The following Rotarians and their wives attended the Rotary conference in Temple Friday evening; Mr. and Mrs. L. W. Smith, Mr. and Mrs. Bill Burns, Mr. and Mrs. M. G. Cox and Miss Mildred Thornton.

R. L. Robinson, music director at First Baptist Church is directing the music at a revival being held this week at First Baptist Church at College Station.

Mrs. Carl Black and Mrs. Lee McLane were delegates to represent First Presbyterian Church, Cameron, at the Presbyterial of Central Texas Presbytery held in Georgetown April 18-19. Mrs. Hugh Smith and Mrs. Graham Gillis were among those who also attended.

Mr. and Mrs. Horace Leonard and son, Thomas, Mr. and Mrs. Howard Tucker and Mr. and Mrs. Red Tucker spent Sunday visiting in the Breckenridge park in San Antonio and attended the Zoo. They also visited the Alamo and other places of interest in San Antonio.

Apple Pectin Another "Grandmother's Way" Now Proved Sound By Modern Science

"Old Fashioned" Apple Pectin in modern powdered form, is the quickest, best way to make Jams and Jellies.

By Mary Newton, *Home Economist*

MODERN science and chemistry has made some surprising discoveries recently. In testing vegetables, fruit and plants for their chemical ingredients to compound the latest in "miracle drugs" the scientists have been discovering that many of grandmother's old remedies, once popularly used but later scorned by the medical profession, were actually based on sound scientific theory. Some of these include onions for preventing colds and other infections; honey for bronchial and throat disorders; and several of the bad-tasting old "herb teas" that grandmother used to brew.

Similarly, although not quite in the same category, is the old-fashioned use of apple peelings in the making of jams and jellies. It has been now well established that the pectin from apples is probably the most effective, the least changeable and the one which does not impair the natural flavor of the fruit with which it is used. Where mother and grandmother used apples, however, today's housewife is using the apple pectin in powdered form . . . and getting not only better results but more jam and jelly from her fruit and sugar. The powdered apple pectin does not require the long boiling and frequent testing for consistency that apples or apple peelings do; thus more jelly or jam results, the flavor is not "boiled away" and the finished product is of smooth, uniform texture every time. Another reason, which appeals to the busy housewife is that the powdered pectin finishes her jams and jellies much faster, saving time and work over a hot stove in mid-summer.

One advantage of the powdered pectin such as Pen-Jel which most people do not realize is that it is constant in its effectiveness while the fruit itself, even in apples, varies a great deal in pectin content depending upon its type, stage of ripeness and even on how long it has been picked before it is used. This, before the advent of the modern way, resulted in puzzling variations in the results obtained although the same recipe was followed exactly.

The one caution, however, in the use of powdered pectin is that the recipes should be followed exactly as they appear on the folders enclosed in the package, according to an authority, Powell Williams, vice-president of the Pen-Jel Corporation, Kansas City, Mo. These recipes have been carefully tested for the best results and increasing or decreasing any quantity of the jam or jelly ingredients is not advisable. But even making several batches in the quantity recommended by the recipe takes less time and gives better results than making jelly or jam the old-fashioned way.

Herman Smith of West Texas is visiting his parents here.

Car Load Turkeys For Lunch Rooms Arrives In City

A car load of frozen turkeys for the school lunch rooms in Milam County was received in Cameron Monday consigned to Chas. M. Hicks, County Superintendent.

Mr. Hicks under a new regional set up was made distributor for foods for school lunch rooms for the eleven Texas counties and was prepared early Monday to begin a very busy day consigning shipment to the various schools of the region.

Mr. Hicks has made a very fine record in the re-shipment of large quantities of food from regional headquarters in Cameron and school lunch rooms are being well supplied. The car load of turkeys were shipped from New York.

Mr. Hicks said that in addition to the turkeys, a car load of potatoes had arrived here last Saturday for distribution and a half car load of canned peaches is due to arrive in a few days.

Commissioner Hurt And Another Injured In Saturday Crash

W. W. Markham, Commissioner of precinct 2 was injured late Saturday in a collision at the intersection of North Fannin and East 27th street and Thomas Woodson Williams was treated at Newton Memorial Hospital for injuries also sustained in the crash.

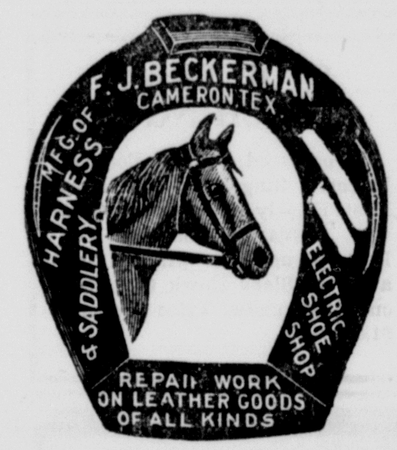

Mr. Markham who is a candidate for re-election was able to be present Monday morning for a meeting of the Commisioners court and Williams had been discharged from the hosital.

Mr. Markham was driving a Chevrolet pickup and Mr. Williams was driving a 1937 Plymouth Sedan and the machines collided head on at the intersection. Both cars were badly damaged. Mr. Markham was treated later at his home for minor injuries while Mr. Williams was taken to the hospital. His injuries were not serious.

Mrs. Dan Lunsford has accepted a position as waitress for the Corner Cafe and extends a cordial invitation to her friends to visit her at the Cafe. Mrs. Lunsford formerly owned and operated the Cameron Ice Cream Co.

E. C. Reed has returned to his home after being a patient at Newton Memorial Hospital.

Harold Balhorn of Seguin visited in the home of his parents, Mr. and Mrs. W. W. Balhorn over the week end.

Large Variety of Leases Aids School Funds

AUSTIN, Texas, April 20—Leases for everything from water to sodium sulphate have sent the state's two permanent school funds over the $25,000,000 mark.

Land Commissioner Giles said royalty payments and cash bonuses were mainly responsible for the growth of the funds.

Grazing leases brought $40,000 to the permanent public school fund during the last fiscal year. In Ward County, eight lease-holders paid $4,342.54 for the right to mine sodium sulphate, which is converted into "salt cakes" for cattle.

The University of Texas fund was helped by twenty-six water leases and rental of easements across the university's more than two million acres of land.

Exploration permits which let oil companies make seismographic studies are being made.

Many other leases for a variety of purposes have helped boost the school funds beyond the quarter-billion mark.

VFW Holds Meeting Installs New Officers

Veterans of Foreign Wars held a meeting April 19 and installed officers for the new year. Judge W. A. Morrison acted at installing officers.

Morris Weems was elected Commander, Thomas Brashear, Senior Vice, Willis E. Braden Junioe Vice, Walter F. Plocek Quarter Master, Dr. J. R. Parker Chaplain, Pete Mikula Officer Of The Day, H. B. McClellen Adjt. and Service Officer and R. W. Bennett was elected trustee.

At the conclusion of the business session a social hour and refreshments were enjoyed.

COUNTY ATTORNEY ON JOB

County Attorney, Ed Gunn was back in his office in the Court House Monday morning for the first time in several weeks. Mr. Gunn has been seriously ill for some time but hoped to be able to resume full duty within a few days. He is a candidate for re-election and his formal announcement will be published in this newspaper Tuesday.

Control Insects For Profits, Farmers Told

COLLEGE STATION, April 25—Early season cotton insect control can increase a farmer's net income more than $50 an acre, farm specialists said here.

In two communities near Waco last season treatment hiked net profit $54.42 an acre. Average production of lint cotton an acre was 178 pounds on untreated stands and 415 pounds on treated stands, K. P. Ewing and C. R. Parencia of the Bureau of Entomology and Plant Quarantine, United States Department of Agriculture, reported.

The Extension Service suggests two or three applications of dust or spray at 7-day intervals. The first application should be made at usual chopping time, or when the cotton is in the 4-leaf stage. The last application should be made at least thirty days before bollworms usually appear and before the cotton begins to bloom.

When boll weevils are a menace, the specialists recommended twenty-seven pounds of 3-5-40 or 20 percent toxaphene—40 per cent sulphur dust be used. Seven pounds of the dust should be used for the first application and ten pounds an acre for each of the others.

When sprays are used, two quarts and one pint an acre of a concentrate containing six pounds technical toxaphene a gallon, or a spray mixture of four pounds of toxaphene and two pounds of DDT a gallon, is needed.

One pint of these materials should be used to the acre for the first application, and one quart for each of the others. If aphid damage is noticeable, the specialists advise, one half pint of 40 per cent TEPP an acre should be added to one of the spray applications for a knock-out blow.

Purpose of the applications is to prevent plants from being stunted by thrip or aphid and to prevent damage to early squares by flea-hoppers and boll weevils. The program also is designed to kill off over-wintering weevils.

"The state is in for a bad insect year. We're going to have to poison these cotton insect pests before they damage our crops," the pscialists warned.

Mr. and Mrs. Clyde Sheffield and son of Beaumont visited her mother, Mrs. Agnes Lowe here the past week end. Mr. Sheffield is assistant manager of the Weingarten Store in Beaumont.

Change of Venue Hearing Set in Jones Check Case

FRANKLIN, April 23 — District Judge W. S. Baron plans a hearing here Monday on a plea for a change of venue in another worthless check case against S. B. Jones.

Jones is being returned here from Huntsville, where he is serving a five-year sentence on a bad check conviction.

He is the former Hearne insurance man accused of giving $81,000 in bad checks to the First State Bank of Franklin in November 1948.

Because of $81,000 in losses the First State Bank merged in December 1948 with the First National Bank of Franklin, Jones is being returned for trial on another of six indictments.

On April 13, 1949, Jones was convicted and given the five-year sentence. He was tried on an indictment charging him with giving the bank a bad check for $10,850.

Senior Class To Present Annual Play May 4

The nnual senior play will be presented at the Yoe High Auditorium on the night of May 4 at 8 o'clock. The play this year is "Dictator Dad", a comedy on family life. The characters are Peter Farnham, Albert McCullin; Laura Farnham, Barbara Weems; Julie Farnham, Martha Nell Lewis; Richie Farnham, Wayne Barnes; Aunt Gertrude, Jean Kirk; Paul Hudson, Ronald Hudson; Louise Bates, Virginia Brown; Henry Adler, Ernest Batte; Minnie Adler, Doris Senkel; George Adler, William Robinson; Gwen Marshall, Sammy Markham; and Mr. Watson, Raymond McLeod.

The director is Mrs. C. L. Canady. Other senior class sponsors are Mrs. Nance, Mrs. Jones, and Coach Smith.

DAV Will Hold Regular Meeting On May 3 Here

Disabled American Veterans of Cameron are holding their regular meeting on Wednesday, May 3, 1950, at 7:30, at the Legion Hut.

All disabled veterans and their families are invited to attend. Plenty of free Bar-B-Q will be served.

Please bring your dues if you wish to join the DAV. 1950-51 dues are now payable.

Rockdale Man Pays $200.00 Fine For Driving While Drunk

Harvey Earl Anderson of Houston has paid a fine of $200.00 in County Court where he entered a plea of guilty to a charge of drunk driving.

The offense occured near Rockdale on April 8 when the car driven by Anderson crashed another car driven by Giles Yoakum of Rockdale. Occupants of both cars escaped serious injury.

Disposition of the case before Judge Dan Tyson in County Court was delayed due to the illness of County Attorney, Ed Gunn. Trial of the case was held Monday.

Under the law license to drive a car is automatically suspended upon conviction by drunk driving.

Mr. and Mrs. Brogdon Attends Convention

Mr. and Mrs. S. E. Brogdon are in San Antonio this week attending the 1950 convention for agents of the Southwestern Life Insurance Company.

Mr. Brogdon, who represents the company here, qualified to attend the meeting by reason of his outstanding record in the business during the year, 1949.

The program included addresses by officers and leading agents of the company and round-table discussions of problems of the business.

They expect to return to Cameron about Saturday or Sunday.

Mrs. Eddie Huntsman and son, Buster have returned from a visit in the home of Mrs. Huntsman's cousin in San Antonio. While there she attended the battle of flowers on Friday.

YARRELLTON NEWS
MRS. LENA RUSSELL

Mr. and Mrs. F. J. Shay are visitors in the home of her parents, Mr. and Mrs. Bob Varner.

Ann Ward entertained Miss Mary Randolph's first grade room at Ada Henderson school, Friday afternoon, April 21 with a party in honor of Ann's seventh birthday. As hostess Ann served birthday cup cakes with punch. Plate favors were miniature umbrellas with large gum drops as holders.

Miss Barbara Weems of Maysfield visited Doris Nell Lott Sunday and attended Sunday School and church with her at Yarrellton.

Mr. and Mrs. Bob Griswold spent last week end in Austin with their daughter Aileene.

Rev. R. L. South was a Sunday visitor in the Chas. Rusell home.

Miss Elaine Fenny who was ill over the week end is improved.

Mrs. Frank Griffin was rushed to Newton Memorial Hospital Friday with a heart ailment, but is improving nicely at this time.

Mrs. Charlie Barrett of Corpus Christi arrived Tuesday to be at the bedside of her father, Charlie Griffin.

Mrs. Autis Franklin reutrned to her home Friday after a 10 day treatment in the Rosebud Hospital. She is suffering from a jaw infection.

Mrs. Rodney Barker, Mrs. Ed Pagel and Mrs. Jim Mann visited Mrs. Autis Franklin in Rosebud Hospital Tuesday afternoon.

Mrs. John Lott and Doris Nell, Mrs. Charles Russell and Loma were visiting friends at Newton Memorial Hospital Saturday afternoon.

Mr. and Mrs. A. Jungmann and daughters visited friends at St. Edward Hospital and Newton Memorial Hospital Sunday afternoon.

Barbara Weems and Doris Nell Lott visited Loma Russell Sunday afternoon.

Mr. and Mrs. Frank Stewart of Houston spent the week end with her parents, Mr. and Mrs. W. C. McDonald. Mrs. Stewart is the former Wanda McDonald of Yarrellton and a Cameron Yoe High graduate before taking a business course in Houston where she has been employed for the past few years. Mr. and Mrs. Stewart were married April 8, and are making their home in Houston where they are both employed.

Mrs. Edwin Fischer and daughter, Maxine visited Mrs. Pagel Friday.

Friends of Jim Perkins will be happy to know that he is improving nicely in a Temple hospital after an eye operation last week.

Mrs. Jim Perkins of Hearne is visiting home folks while her husband is in a Temple hospital and to be near him at this time. Dulce McCall takes her to Temple daily to visit with Mr. Perkins.

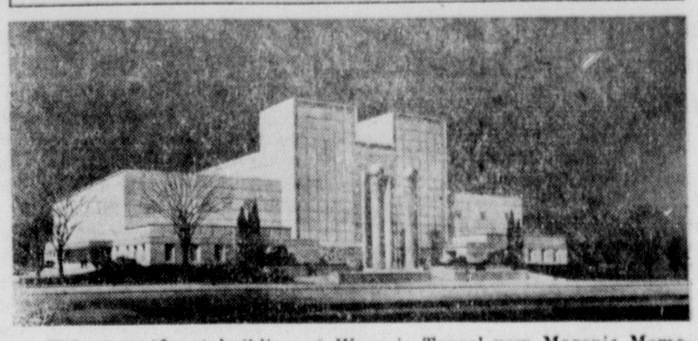

The many friends of Mrs. Pitts Aikmann regret to learn of her passing away Sunday night and express their sincere sympathy to her loved ones. Mrs. Aikman had lived in the Yarrellton for several years where she was a faithful attendant at church and Sunday School along with her family. She had many friends here.

Grandma Heil is on the sick list since Monday afternoon.

Mr. and Mrs. Hugh McCall and Mrs. Edith Britton of Temple visited their mother, Mrs. Filmore McCall Saturday.

Mrs. Chas. Russell spent Monday visiting friends and old neighbors at Newton Memorial Hospital.

NEW TEXAS MASONIC GRAND LODGE

This magnificent building at Waco is Texas' new Masonic Memorial Grand Lodge Temple. The imposing $2,000,000 structure has been described as the most beautiful Masonic Grand Lodge in the United States. Covering almost a city block, it houses a 3,700-seat auditorium, a library and a museum, and serves as headquarters for the governing bodies of Texas' 192,000 Masons in 902 lodges. Elaborate dedication ceremonies were among the most impressive in the history of Masonry. Cement for the building—8,750 bbls. of standard portland cement and 500 bbls. of mortar cement—was supplied by U. S. Steel's Universal Atlas Cement Company from its Waco plant. The Temple also has 720 tons of steel, 30,000 cu. feet of stone and granite and 1,500 cu. feet of marble. General contractor was A. J. Rife, Dallas. Robert Leon White, Austin, and Broad & Nelson, Dallas, were the associated architects and Walter Cocke, Jr., Waco, was resident architect.

JONES PRAIRIE
By MRS. S. S. HICKMAN

Dr. and Mrs. W. J. Fontaine and house guests, Mr. and Mrs. C. J. McClerran of Greenville, and Mrs. Charles DeLancy of Los Angeles, California were guests of Mr. and Mrs. R. K. Fontaine Thursday for a chicken barbecue dinner and all the trimmings.

Mrs. Benny McGlothleir and little daughter, Jeanne Ann and Mary Jane of Abilene visited her parents, Mr. and Mrs. T. B. Stidham several days the later part of last week.

Guests of Mrs. J. A. Jamison over the week end were: Mr. and Mrs. Hope Jamison and son, Elbert Hope of Freeport and Miss Louis Jamison of Belton.

Mrs. Ben Massengale, Mrs. Jack Pond and son, Stephen and Burnard White visited Mr. and Mrs. Paul DeVille and Miss Billie Jo Massengale of Dallas Thursday of the past week.

Rev. Charles Murry of Waco was the guest speaker at the morning and evening services at the local church Sunday. He and Mrs. Murry were dinner guests of Mr. and Mrs. H. P. McKinney.

Cpl. Burnard White of El Paso Air Base spent a three day furlough with his parents, Mr. and Mrs. Buck White last week.

Friends regret to learn that Rev. and Mrs. Stanley Ray are both ill with the flu. Rev. Ray is pastor of Little River Baptist Church.

Mr. and Mrs. Monroe Jones of Freeport visited Mr. and Mrs. Robert Glenn and Mr. and Mrs. Bailey Jones over the week end.

Mr. and Mrs. Marvin Hickman were week end guests of her mother, Mrs. M. P. Carroll of Houston.

Mr. and Mrs. Elmo Canady of Houston visited his parents, Mr. and Mrs. O. T. Canady the past week end.

Mr. and Mrs. Wayland Atkinson and Mr. and Mrs. Carelton Crook were dinner guests in the home of Mr. and Mrs. Homer Crook of Cameron last Saturday evening, and included an old fashioned home made ice cream supper.

Friends regret to learn that Mrs. J .H. Burnett is ill and is a medical patient in the Newton Memorial Hospital.

Stephen Pond of Corpus Christi visited his parents, Mr. and Mrs. Jack Pond over the week end.

Aileen Burnett, daughter of Mr. and Mrs. Giles Burnett is among the patients ill and in the Newton Memorial Hospital.

Mr. and Mrs. E. L. Kahler had as week end guests their sons, Clayton Kahler, Medical student at Southwestern Medical College in Dallas and Earnest Kahler, Jr. from Texas University at Austin.

Early Treatment For Hornfly Control

(By J. D. Moore, County Agent)

A tiny fly, grayish to black in color and about 3-8 of an inch long about this time of year or a little later begins to rob the livestock producer of pounds of beef and dollars that could be profits. This small bloodsucker, according to J. D. Moore, Milam County Agent, is the hornfly.

It is seen principally on the head neck and shoulders of cattle often in great numbers and if permitted to multiply, they may cover 50 percent of an animal's body, says Moore. The hornfly has a very short life cycle—to to 14 days. This factor, points out Agent Moore, makes it possible for very heavy infestations to build up in the spring before the producer notices their presence. Control measures should be used early to check the multiplication in the first generation. The first spraying is very important and may reduce the total number of sprayings needed during the summer. Animals should be given the first treatment when the fly population reaches an average of about 25 flies per animal.

Moore says there are two insecticides which will give very effective control against the hornfly. DDT has been successfully used for several years and a .5 percent spray or dip will give excellent results. Toxaphene has given equal or superior results when compared to DDT or hornfly control. It is the other recommended material and it is also used at a .5 percent strength. It is recommended only for use as a spray.

He points out that numerous tests have shown that cattle kept free of hornflies gained from 10 to 20 pounds more per month than those not treaed. Ten pounds of 40 percent wettable toxaphene or eight pounds of 50 percent wettable DDT in 100 gallons of water and used as a spray will protect cattle for a period of 20 to 45 days says Moore.

Rev. O. B. Darby, Waco Evangelist, Dies in Big Spring

The Rev. O. B. Darby, 53, Baptist evangelist of Waco, died Saturday in Big Spring, where he had been conducting a Baptist revival during the past week.

Rev. Mr. Darby became ill Wednesday and was admitted to a Big Spring hospital where he died Saturday at 5:30 a. m. He resided in Waco at 719 South Fifth Street.

Funeral services will be held Monday at 2 p. m. at the First Baptist Church with Dr. Forrest C. Freezor officiating. Burial will be in Waco Memorial Park.

Born in Florence Dec. 4, 1895, Rev. Mr. Darby had been in evangelistic work since moving to Waco about two years ago. He came to Waco from Miles where he was pastor of the First Baptist Church. Since receiving a Bachelor's Degree in theology from Baylor University in 1922, Rev. Mr. Darby had held pastorates in a number of cities in Texas and Oklahoma. He took his Master's Degree from Baylor in 1924 and his Doctor's Degree from the Southwestern Theological Seminary in Fort Worth in 1928.

Surviving are his widow; two daughters, Mrs. J. E. Kimbell of Shawnee, Okla.; Jean Darby of Waco; four brothers, the Rev. M. A. Darby, the Rev. Graves Darby, both of Waco. Frank Darby of Davilla and W. T. Darby of Stephenville; two sisters, Mrs. Ruby Stokes of Stephenville and Mary Story of Stephenville.—Waco News Tribune.

Mr. and Mrs. Cecil Pratt and three children and Mr. and Mrs. H. D. Woods and children all of Milano were visitors in the home of Mr. and Mrs. M. D. Pratt Sunday.

Home Loans Release Due

A backlog of about 300 FHA home loan commitments will be released as soon as President Truman signs the new housing bill, FHA District Director R. E. Shepherd said.

The commitments have been on a ration basis from Washington FHA headquarters for almost a month while the housing bill was being debated in Congress. The Senate gave final approval Monday to the bill which gives FHA authority to insure $2,250,000,000 worth of home loans. The House already has approved the measure.

FHA put the commitments on a ration basis to keep from exceeding its present money authorization.

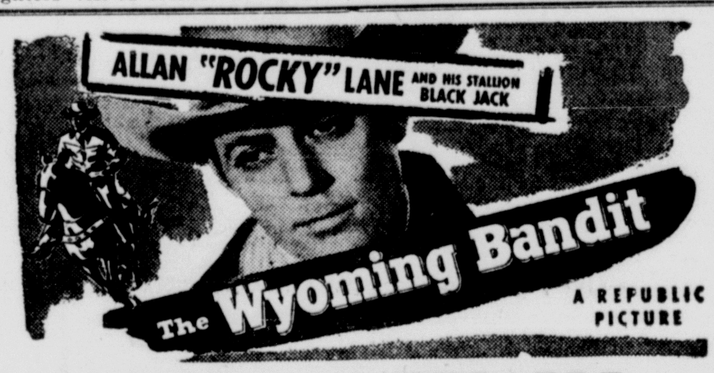

Shepherd said a large group of commitments was approved in Washington Tuesday for Dallas, clearing the books of all commitments through March 24.

Shepherd said he expected to release all the backlog of commitments as soon as the bill is signed.

Texas History Is Cameron Lions Topic

Miss Ada Margaret Smith, Yoe high school teacher, discussed the history of Texas during the first half of this century at the noon meeting of the Cameron Lions club Tuesday. She told of the development and increase of industrial activities in Texas.

L. Van Perkins was in charge of the program.

FUNERAL RITES FOR MRS. AIKMAN TUESDAY

Mrs. Pitts Aikman of Cameron died at St. Edward Hospital April 23 following a three months illness.

Mrs. Aikman was born August 10, 1875, Lincoln County, Tennessee, and moved to Texas when a small child with her parents, Mr. and Mrs. W. A. Barnes. The family settled near San Marcos where she was married to Pitts Aikman, July 12, 1894 after which they moved to Milam County where she had made her home since.

Among her survivors are three daughters: Miss Cora Aikman, Mrs. Ester Wallace both of Cameron and Mrs. Arville Ford of Houston; one son, L. R. Aikman of Buna; three sisters, Mrs. Lizzie Trice of Old Glory, Mrs. Pierce Hickmon of Kingsville and Mrs. Alice Burger of Luling; four brothers, Lee Barnes, Will Barnes, Bob Barnes and Hill Barnes all of Kemp, Texas. She is also survived by four grandchildren and a number of nieces and nephews.

Funeral services will be conducted by Rev. P. A. Corkern, Pastor at First Baptist Church, at 3:00 p. m. Tuesday, April 25, 1950. Interment will be made in South Elm cemetery with Green's Funeral Home making the arrangements.

The remains will be at the Funeral Home until the funeral hour on Tuesday.

Bill Burns Heads Rotary Club

Bill Burns has been elected president of the Cameron Rotary Club to succeed L. W. Smith and will begin his duties on the first Wednesday in July.

Bill Burns is a member of the firm of Marek-Burns Funeral Directors and has been a member of the Rotary Club since the close of the late war in which he served as a Commissioned officer of the United States Navy.

Mr. Smith under Rotary law now becomes vice-president of the Club.

Richard Moseley, recent member of the Club who purchased the L .F. Gohmert store in Cameron, was elected Secretary to succeed Milton Schiller.

The new Rotary year will begin in July and the directors for the coming year will be J. C Andres, Bill Burns, Earl Curtis, Lee Lemons, Dr. C. G. Swift and L. W. Smith.

Teachers Are Told Of Hospital Needs By Junior Red Cross

Teachers from the public school of Milam County heard Representatives of the Junior Red Cross here Tuesday evening.

Mrs. May Mills of St. Louis and Miss Peggy Dooley told the teachers about needs among patients at McCloskey Hospital in Temple.

More useful things are needed and the Red Cross representatives pointed out that in planning programs for the coming year more careful selections should be made of things sent to the hospital because in the past many articles are useless and have to be stored.

TWO CARS IN CRASH

Two automobiles figured in a street intersection crash Saturday but no one was injured. The collision occured at the intersection of West 1st street and Crockett. One car was driven by Allen B. Hairston of Cameron and the other car was driven by Clarence H. Parrish of Houston.

ESCAPES INJURY

John Hamner of Austin escaped injury Saturday on highway 77 near Ben Arnold when his truck was overturned. He was driving a panel truck loaded with merchandise and lost control of the automobile as he momentarily looked back to observe the condition of his load.

Belton Is Laughing Over Stumblebum Rites Reader Thinks Groom Should Be Publicised

BELTON, April 21—The love life and marriage of Joshua Stumblebum IV is still the talk of Belton. The town can't stop laughing.

Josh made his bid for immortality last week in "Russelling Around," page one column by James H. Russell, managing editor of the 84-years-young weekly, The Belton Journal.

Here's the story:

I haven't anything against brides, as I married one myself, but I do think newspaper writeups neglect the boy too much. Personally, I'd enjoy seeing a story almost exclusively about the groom, along this line:

Joshua Stumblebum IV, lovely 37-year-old son of Mr. and Mrs. Joshua Stumblebum III, became the groom of Miss Owatta Mess last Sunday morning at 2 a. m. in a simple ceremony performed o nthe back porch of a county J. P.

The groom wore nothing new and nothing blue, but everything he had was either borrowed or old, or both. His stunning brown coat, which was G. I., had an off-shoulder effect, probably because it belonged to his roommate and was four sizes too large. His coat had matching brown buttons, with finger-tip sleeves, and was sheer, especially around the elbows. The groom's hobnail shoes blended softly with his acquainted corduroy trousers. He carreid Four Roses—and rather well. His traveling ensemble was the same as his marriage attire—in fact, he sleeps and eats in it too, since it constitutes his entire trouseau.

The groom is a graduate of St. Louis Reform School and spent several years at San Quentin,, where he was a trusty and attained several honors, culminating with his parole.

The bride is from Dead Man's Gulch. She has money.

John Hairston has returned from a visit with his son, Tom Hairston in Rankin. Tom Hairston was recently injured when a drill stim knocked him off a rig while working in the oil fields in Odessa. He was taken to a hospital in San Angelo for treatment and is reported improving some.

Farmers May Release Alloted Cotton Acreage

The Production and Marketing Administration advised Milam County cotton growers today that under a new provision of Federal legislation they are permitted to release all or any portion of their 1950 farm cotton acreage allotment that will not be used for planting cotton this year.

Paul C. Graves, county PMA committee chairman explains that acreage accumulated under this program must first be used to offset farm allotment increases required by the minimum farm allotment provisions of the new law. Any part of the returned acreage which is unused after these adjustments have been made can then be used by the county committee to make further adjustments that appear justified in farm allotments already established. He also points out that acreage released and used to offset the minimum farm allotment increases will be credited to the State and County in determining future allotments.

It is necessary for the farm operator or farm owner to authorize release of his allotment in writing not later than April 28, 1950. The chairman says that forms for this purpose are now available in the county PMA office in Cameron.

Cameron extends a welcome to its new citizens, Mr. and Mrs. G. A. Rankin of Georgetown who recently moved back to Cameron to make their home. They formerly lived here.

Clara Hamdlen of Brenham spent the week end with Mr. and Mrs. Nolan Maddox in Cameron. She is a member of the Brenham School faculty.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS OF the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman . . . upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good . . .

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The *real* reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good . . ."

PRESIDENTIAL FACT FINDING BOARD REPORT

Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation . . ."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

EASTERN SOUTHEASTERN WESTERN RAILROADS

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

TO SHOOT DOWN MORE OF U. S. AIRCRAFTS

MOSCOW, April 21—Russia brusquely rejected every demand of the United States today over its missing Baltic plane and repeated orders to airmen to shoot down any resisting aircraft caught over Soviet territory.

The Moscow government in a note declared it was "clearly absurd" that the United States demanded compensation for a four-engined U. S. Navy Privateer and its crew of 10 which disappeared April 8.

Moscow declared the American plane involved that day in an exchange of fire was a 'B-29 Flying Fortress" which penetrated 13 miles into Soviet territory South of Lepaya Latvia, while trying to "photograph Soviet defense installations."

It repeated the assertions of the April 11 protest that a B-29 ignored signals to land, fired on Soviet fighters and disappeared toward the Baltic Sea when the Soviet fighters fired back.

Therefore, the note declared, the Soviet, Government cannot accept even "for examination" the American demands made three days ago.

These demands included compensation ,severe punishment of the Soviet aviators, a Soviet investigation and guarantees against a recurrence.

The Soviet note was handed to U. S. Ambassador Alan G. Kirk at noon by Foreign Minister Andrei Vishinsky. It concluded by declaring the United States was trying to "cover up the illegal actions of certain of its subordinates who disgraced themselves by grossly violating the generally recognized rules of International Law."

(Secretary of State Acheson said in Washington the Soviet charges that a B-29 invaded Soviet territory were "fictitious allegations" which the Rusians knew were not true.)

Mrs. Minnie McFarland is visiting in the home of her daughter, Mr. and Mrs. Ora Arnold and girls in Camp Hood this week.

Interest Rate On FHA Homes Drops

WASHINGTON—The top interest rate on new federal housing administration home mortages will be cut to 4 1-4 percent—a 1-4 of one percent drop—effective with applications received Monday.

This was announced shortly after President Truman signed without comment a bill providing for an expansion of nearly $4,000,000,000 in the federal housing program.

Senator Maybank (D-SC), who heads the senate banking committee, hailed the interest cut with a statement it will save new home owners at least $5,000,000 a year.

Senator Maybank said the rate reduction will "make it easier for the little fellow to pay off that new house and should also reduce pressure for increased rents."

The new 4 1-4 rate drops the FHA interest top halfway to the 4 percent rate charged for mortgages guaranteed for the Veterans Administration. The VA said it plans to stand pat on an even 4 percent.

Persons getting FHA insurance on mortages will continue to pay an insurance premium of 1-2 of one percent, making the maximum annual cost to them 4 3-4 percent—compared to an even 5 percent in the past.

The 1-4 of one percent reduction means interest ,payments over the course of a year will be 25 cents less for each $100 of the mortgage a savings of $12.50 annually on a $5,000 mortgage.

Actually, the achievement of the saving depends upon willingness of lenders to take 4 1-4 percent interest on FHA-insured mortgages, but FHA Commissioner Franklin D. Richards indicated confidence on that score.

The act signed into law by President Truman a few hours earlier is designed, by mortgage guarantees and other devices, including some direct loans, to make it easier for Americans to buy homes or find rental living quarters.

A. L. MARESH WIL BE BURIED SUNDAY

A. L. (Bud) Maresh, 61, died at St. Edward Hospital at 3:00 a. m. Saturday. Mr. Maresh suffered a heart attack and died in a few hours after reaching the hospital.

He had lived in Buckholts and was engaged in farming .

Among his survivors are his widow one brother and four sisters as follows: Albert Maresh of Industry, Mrs. Otto Glaser, Mrs. Rudolph Glaser, Mrs. Tillie Griggs all of Cameron and Mrs. Frank Zalesky of Dayton, Texas.

Funeral services will be held at the Chapel of Green's Funeral Home, at 3:00 p. m. Sunday, April 23, 1950 and burial will be made in Oak Hill cemetery.

The remains will be at Green's Funeral Home until the funeral hour on Sunday.

4-H Style Show To Be Held Here Saturday

A 4-H Style Show for the 4-H club girls in Milam County will be held in the District Courtroom in the Courthouse here in Cameron, according to reports by J. D. Moore, County Agent. The Show will begin at 9:30 a. m. on Saturday, April 29 and last most of the day. The public is cordially invited to attend.

The 4-H leaders are to be commended on their efforts to carry on the regular 4-H activities in the absence of an H. D. Agent at this time.

PRESIDENT WARNS OF RED ATTACK ON U. S

WASHINGTON, April 24—Presiden Truman struck back Monday night at character attackers who denounce men as Communists by "hurling sensational accusations based on gossip, hearsay and hunch."

He flatly told the Federal Bar Association in a prepared speech that "the internal security of the United States is not seriously threatened by the Communists in this country."

"This administration has fought Communism with action and not just with words," the President declared.

The name of Sen. Joseph R. McCarthy (Rep.) of Wisconsin, who has charged that Communists hold important posts in the State Department, was not mentioned by Mr. Truman in his prepared address.

It was plain, however, that the reason for his speech was McCarthy's charges.

The President's speech followed that of Secretary Acheson before the American Society of Newspaper Editors Saturday night. Acheson's talk originally off the record, was released for publication twent-four hours later.

Mr. Truman assured the federal lawyers "We are not going to transform our fine FBI into a Gestapo-like secret police" in the fight on Communism.

The greatest threat from Communism comes from abroad, not from within the United States, Mr. Truman stated.

"The real danger is that Communism might overrun other free nations and thus strengethen itself for an ultimate attack against us," he asserted.

Although Communism is not a major force in this country, no chances are being taken on its becoming strong here, said Mr. Truman. He declared "we are striking hard blows" at Communist subversion wherever it is found."

He called domestic programs to improve conditions of the people "the strongest anti-Communist weapons in our whole arsenal."

The government has been "fully aware of the threat of Communist subverson within our own borders," he continued.

Doris Gamble visited her parents in Sharp over the week end.

THORNDALE MAKE PLANS FOR MODERN HOSPITAL

Plans for the proposed modern hospital to be built at Thorndale are becoming more of a reality with several meetings being held from time to time.

The hospital would be of modern design with twelve rooms. The estimated cost is $120,000, including equipment and surgical instruments.

The federal government would pay one-half of the cost, and leave $60,000 to be raised by Thorndale.

To date several locations on which to construct the hospital have been offered free of cost.

Temporary chairman, H. L. Peace said that the State Health department has suggested several plans to operate the hospital. The cooperative plan is thought to be the most likely one.

Memberships at $100 each are being sold to raise the necessary $60,000 The hospital will operate on a non-profit basis. More than $7,400 has been pledged.

The State Health department, which is representating the federal government, said that the hospital will meet the standards of larger city hospitals.

Cameron Rotary Hears Citizenship Discussion

Dr. L. Gordon Sansing of Jackson, Miss., who is holding a revival at the First Baptist church, discussed citizenship at the noon meeting of the Cameron Rotary club Wednesday.

M. G. Cox reviewed the district Rotary conference held in Temple last week end. Those who attended from here were Mr. and Mrs. Cox, Mr. and Mrs. L. W. Smith, Mr. and Mrs. Bill Burns, Miss Mildred Thornton and Rev. R. L. Lemons, Methodist pastor, who was on the program at the banquet Saturday.

A .D. Lagrone spent the past week end in Milano visiting his parents.

From where I sit ... by Joe Marsh

His Punch is His Signature

Was on the train up to Central City the other day and when the conductor came around, I asked him why their ticket punches make such odd-shaped holes in the ticket.

"Every conductor in the country has a different design for his punch," he tells me. "Some even show up a fellow's preferences. Now take mine. The hole it makes looks like a beer goblet."

Sure enough! Then he went on to say that the punch is just like the conductor's signature. Makes it easy to trace tickets . . . to check up if something happens.

From where I sit, even though your ticket is punched differently from mine, it still gets you where you're going. Just like people with their opinions. You might like coffee, another person, tea—and I'll settle for a temperate glass of beer. But what does it matter, so long as we respect the *right* of the other to have tastes and opinions? We're all trying to go in the same direction — towards a friendlier, more pleasant world for all of us.

Joe Marsh

FARM NOTES

One pound of 4-12-4 or 5-10-5 fertilizer dissolved in 5 gallons of water makes a good starter solution for watering newly set plants. Use it in either the flower or vegetable garden.

* * * *

Livestock growers are warned to be on the look-out for earlier than usual screw-worm fly migrations. They survived the past winter in the largest area since survey records have been kept. Livestock being shipped from the south to northern states should be checked very closely for infestations before shipping. Use Smear 62 on all animal wounds.

* * * *

The supply of coastal bermuda grass offered by the Texas Agricultural Experiment Station has been exhausted.

* * * *

Home accidents took 30,500 lives in the nation last year and falls led the list of causes. It is dangerous economy to leave out of the plans for any farm building safety features that might prevent a serious accident.

* * * *

Farmers and ranchmen should be on the alert for the next few weeks for the early hatches of grasshoppers. Control measures are most efficient when used before the young 'hoppers leave the egg bed areas.

* * * *

April 30—May 6 will be observed as National Home Demonstration Week.

Fritz Glaser of Buckholts transacted business here Friday of the past week.

Mr. Blake announced that the quota for Milam County set up by National was $4,324.00 thus making Milam County $193.95 short of its quota. An individual quota for the county was set at $5,250.00 at the onset of the drive, hoping to go over the national quota.

Mr. Blake would like to take this opportunity to express his sincere appreciation to all the workers who assisted him in making the collections for the drive.

Mr. and Mrs. Roma Baskin and son, Gary of Houston spent the week end with his parents, Mr. and Mrs. C. B. Baskin of Route 1, Cameron.

Mrs. Walter Senkel is visiting her children in Austin and in the Rio Grand Valley for several weeks.

Pvt. Frankie Zajicek Trains At Lackland

Pvt. Frankie Zajicek, 19, son of Frank Zajicek, Rt. 1, Buckholts has begun a thirteen week course of indoctrination training at Lackland Air Force Base, "The Gateway to the Air Force," San Antonio.

In the basic training at Lackland he will receive a well rounded military preparatory schooling for progress in a specialized Air Force career. During this initial course he will be given complete vocational and aptitude testing along personal guidance counseling to determine his entrance into a suitable technical training assignment on leaving The Gateway Base.

Besides constituting the only Air Force station for indoctrination training of all new airmen, Lackland is a reassignment and training center for re-enlistees, home of USAF Officer Candidate School and the Human Resources Research Center.

Yoe High Students Qualify For State Meet

Ten students of Yoe High school participated in the Regional Interscholastic League meet in San Marcos last Friday and Saturday.

Five of these students qualified for the State Meet to be held in Austin, May 5 and 6 and they are: Edith Baldridge who won first place in Extemporaneous speaking, Florence Ruth Becker who placed second in number sense, Douglas Obermiller and Harvey Weems took first, second and third plcaes in slide rule.

Representative of S. S. To Be in Cameron May 2

A representative of the Social Security Administration Field Office in Austin will be in Cameron on Tuesday, May 2, 1950 at the Department of Public Welfare Office at 1:00 p. m.

Wage-earners or survivors of deceased wage-earners desiring information relative to retirement or survivor's benefits paid by the Federal Old-Age and Survivors Insurance should contact their representative at this time.

Local Group Attends Lakeview Assembly

Methodist laymen and older boys of highschool age from all parts of the Texas Conference were at Lakeview Assembly for a retreat April 22-23.

The occasion was a time of fellowship and inspiration as lay speakers discussed "The Faith We Live By," one of the major emphases of the Methodist Advance Movement.

The program was sponsored by the Conference Board of Lay Activities and was attended by ministers, lay leaders, and other local church lay workers. About 15 elder boys were guests of the laymen and had meetings of their own. Pat Thompson of Bay City, Conference lay leader, was in charge.

The following were among those present from Cameron: E. A. Perrin, O. B. Horstmann, A. W. McCullin and John Henderson.

The laymen found that the assembly superintendent, Rev. A. D. Lemons, has the camp about ready for the full summer program to open June 5 with a senior camp for the Houston, Bryan and Huntsville districts. Following will be camp for older youths, seniors, intermediates, juniors and adults. The season will close with a young adult conference Sept. 2-4.

The 800-acre tract now has 15 buildings completed representing an investment of around $250,000. Further expansion will be made before another season, Mr. Lemons said.

Veterans Still May File For Land Loans

Veterans may file conditional applications for loans under the State Veterans' Land Program even though March 18 was the last day for filing regular applications, the Chamber of Commerce veterans affair office announced Thursday.

"We have a heavy volume of mail and requests for information on the program," Dr. W. J. Danforth, office director, said. "An application may be filed provided it is understood by both buyer and seller that it will be processed in the order received and when there is sufficient money to complete the transaction."

The Texas Veterans Land Board has enough applications to obligate the $25,000,000 authorized by the Constitutional amendment to enable veterans to buy land on long term loans.

Money received from payments on contracts will be used as a revolving fund for a period of eight years from the date of the amendment. This money will be used to process additional applications as it becomes available.

Mr. and Mrs. F. P. Cotton and children of Milano visited Mrs. Cotton's parents, Mr. and Mrs. C. E. Smith in Cameron Sunday.

Announces Hadacol Rationing

SENATOR DUDLEY J. LeBLANC

The continued increasing demand for HADACOL, one of the truly great medical discoveries given to the world by Senator Dudley J. LeBlanc, has made it necessary to decrease the ration allowance on HADACOL from six bottles to two bottles.

"We placed the limit at two bottles to a customer only after trying every other alternative," said Senator LeBlanc. "The demand for HADACOL has increased 1000 per cent in the past year as more and more people have learned the blessings of its five B Vitamins and four important Minerals. Despite our new $250,000 plant equipped with the most modern machinery and our fleet of 30 great trucks to speed delivery, we just cannot keep up with the demand.

"We placed a ration limit of six bottles to the customer several weeks ago but still cannot catch up with production. Our 300 employees are working shifs around the clock but one bottleneck after another comes up. We expect to lick them all, but meanwhile we are asking our customers to have patience and accept no inferior substitutes.

"For instance, when I created HADACOL I read every available authoritative medical and drug book in order to use the very finest ingredients regardless of cost. I read on page 234, U. S. Dispensatory, 23rd edition, that 'Theoretically Calcium Glycerophosphate should for many purposes be superior to most other calcium salts because it represents both calcium and phosphoric acid in a soluble combination.'

"Little did I realize when I made Calcium Glycerophosphate a part of the now famous HADACOL formula that in time the demand for this great medical discovery—HADACOL—would be so great that we would use up the entire available supply in the United States of this product. But that is exactly what we have done and great plants throughout the nation are now working to increase their facilities to expand production of this essential ingredient which blends with other expensive products to help so many million suffering people in distress."

Yes, in HADACOL Senator LeBlanc envisioned the medicine that would bring blessings to folks of all ages, and in perfecting this formula he worked in his own small laboratory, sometimes 18 to 20 hours a day. Perhaps others could have placed the same ingredients in a medicine, but it remained for him to develop a formula which contains the most expensive ingredients of their kind. For instance, he uses Vitamin B-6 which costs at the factory $550 a kilogram, which is less than half a gallon.

At the present time it is difficult to predict how long the shortage of HADACOL will continue. It is still being merchandised in less than a third of the nation and is being denied to all foreign countries that have asked for supplies because of the production bottlenecks. In the meanwhile folks are asked to limit their purchases to two small or two large bottles and not to accept inferior substitutes, because there is only one HADACOL.

Chick Production Is Up In Texas

Chicken production at Texas commercial hatcheries during March was the highest for any month during the past four years, the U .S. Department of Agriculture reported today.

There were 12,200,000 chicks produced during March.

Production of broiler chicks showed the greatest increase, being 50 percent higher than a year ago. Chicks for flock replacement increased eight percent, the USDA reported.

Egg production for the month was about two percent more than for March 1949.

Mrs. Frank Brock is a surgery patient in St. Edward Hospital. Her many friends wish her a speedy recovery.

R. A. Houston Buried At Fort Sam Houston

R. A. Houston, 60, passed away in his home at 855 Cavalier Street, San Antonio ,at 6 o'clock, Wednesday, March 29 after an illness of several years, during which he refused to quit until he could go no further.

Rosary services were conducted Thursday night, March 30 and he was laid to rest in the National Cemetery in Ft. Sam Houston Friday morning, March 31, with military honors.

He was a veteran of World War I. First Lieutenant of the 141st Infantry, 36th Division, which was in the thick of the fight in France and Flanders Field. In the early 40's he was Commander of the local Wendt Post, American Legion.

Mr. Houston came to Freer from Laredo in 1935 as manager of the Laredo Creamery, which ceased to operate here in 1938. He then opened a plumbing business until 1942, when he went to Kelly Field, San Antonio, as head Plumbing engineer of that vast flying field training station. He returned to Freer in 1948 and resumed his plumbing business, but, because of failing health, he checked in at Brooke General Hospital, San Antonio, and later was transferred to Legion Hospital.

But he did not feel satisfied with his environment so returned to Freer in 1949, built a neat little place and lived in it for a short time, but not improving he returned to Legion.

R .A. Houston, a man of exceptionally fine mind and character, engaged in numerous businesses. At one time he published a magazine that had international circulation. Later, he began the publication of a newspaper in Austin, then operated the Goodrich Tire Station (near the State Mansion), and was Goodrich tire distributor for that district. The depression bore down on him as it did almost all of us, including this reporter. Tense to Laredo, and later as manager of the Laredo Creamery here until it ceased to operate.

He is survived by his widow Mrs. Margaret Houston, sons Joe, Dan, David, Leo, and Sam, all of San Antonio, Richard Andrew Houston, of Houston, daughters, Mrs. A. B. Calwell and Miss Kathleen Houston of San Antonio; brother Grady Houston of Cameron; and sister, Mrs. Emma Moore, also of Cameron, and four grandchildren. — The Freer Enterprise.

Mr. and Mrs. H. L. Dakel visited in the home of their daughter, Mrs. Bob Busker who has been ill at her home in Lott the past week. Mrs. Dakel remained for a longer visit with her daughter while she is ill.

L. A. Holmes Resigns Position In School

L. A. Holmes, who has been superintendent of the Rosebud Public School System since 1943, announced his resignation from that position at 12:30 p. m., Thursday.

His resignation will become effective on July 1, 1950, at the end of his present three-year contract.

Mr. Holmes will become superintendent of the Belton schools on July 1, 1950.

After a thorough investigation of the position which opened at Belton recently, Mr. Holmes decided to accept the position on Thursday. He was not an applicant for the job. The members of the Belton board of trustees came to him with a request that he apply.

The Rosebud board of trustees had recently offered Mr. Holmes a new three-year contract at the end of his present contract.

Mr. Holmes has asked the board of trustees not to try to meet an advance in salary. He feels that the move to Belton will be an advancement for him in his chosen field, both as to salary and position.

L. L. Dorsett, president of the local board, issued a statement Thursday saying that after an official meeting of the board which will be held soon, that the board will no doubt be seeking applicants for the position of superintendent of the Rosebud schools.

Mr. Holmes, with his wife and daughter, Joyce, came to Rosebud as superintendent in 1943, from the White Oak school system in East Texas. Rosebud was a 22-teacher system at that time, but has grown to a 32-teacher system at the present time. The annual budget at that time was $34,000 and now it is $120,000.

Several physical additions to the local plant have been made under his regime. They are: a new agriculture classroom and shop, a new cafeteria building, a new football field with bleachers seating over 1,000 people, and a new elementary school building just finished, that will aid materially in taking care of expected added scholastics.

The board of trustees individually expressed regret at losing Mr. Holmes, but also expressed appreciation for his services and hoped for him continued success in his new field of endeavor.—Rosebud News.

VFW Will Install Officers At Meeting

Mrs. C. A. Arledge, president of the VFW announces that the following officers will be installed by Mrs. Arba Sewell, Department Treasurer of Temple, at the regular meeting, Wednesday night, at 8:00 p. m. April 19, at the Odd Fellows Hall; president, Mrs. H. E. White, senior vice president, Mrs. Joe Hickman, junior vice president Mrs. David Shapiro, conductress Mrs. E. J. Manning, Guard Mrs. Lois Haddox, Chaplain Mrs. August Horstmann, three year trustee, Mrs. Neil Dodson, treasurer, Miss Shirley Horstmann and secretary Mrs. G. W. Miller.

Refreshments will be served following the meeting.

Mrs. Ralph Maury Smith of Dallas and Mrs. Elinor Maury of San Antonio spent last Thursday in the home of Mrs. W. A. Morrison.

Walkers Creek HD Club Hears Book Review

The Walkers Creek Home Demonstration Club met April 12 at the school building with Mrs. Thomas Raymond as hostess.

There were thirty present to enjoy a most interesting book review, "Master Of The Sycamores" given by the author, Mrs. R. L. Batte, Sr., in a very charming manner.

The hostess served buffet style a delicious salad plate consisting of tuna fish, pimento cheese sandwiches potato chips, olives, pickles, cookies, and punch. Mrs. R. A. Plentl is reporter for the club.

Walter "Bud" Williams, high school student at Milano who was injured in football scrimmage last week underwent surgery at St. Edward Hospital Monday of this week and is reported to be in good condition. He is the son of Mr. and Mrs. Jesse Williams of Milano.

Ford
HEFLEY-STEDMAN MOTOR CO.
Cameron Texas

It even
PROTECTS YOUR POCKETBOOK!

RAP your fist against these stout bars—feel the gauge of the bumper stock they're made of—and you know you've got stout protection here.

But then figure:

Here are *nine* bumper guards (not counting the two that hold the parking lights) so that's one extra item you needn't buy.

And each is *individually* replaceable—if damage should occur you have only a simple part or two to replace, instead of a complete, cast-metal grille.

Thus this stunning new design—freshest front-end style note on the highways—protects your pocketbook as well as your car.

Avoids costly repair bills as it avoids "locking horns" with the car ahead. Cuts upkeep as it cuts inches from the car's total length, thus making parking and garaging easier.

What you really have here is a four-way forefront. A design that sets the coming style note—avoids many a tangle with the car ahead—makes handling easier—and costs less to repair.

And note that parking-light lenses, made of plastic and set deep in recessed sockets, are well out of harm's way—even when pushing a stalled car.

You'll find this bold front end only on Buick—as you'll find Fireball power, Dynaflow Drive,* Buick's wonderful ride, and many another headline value only on these beauties.

Why not see your dealer now for the whole story—including the happy story on prices to fit practically any budget?

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

INVITATION—AND A CHALLENGE

"You never can tell till you try"—so we want you to try the 1950 Buick. And we especially want you to compare it with others. Drive any other car—then drive Buick and see what your money should buy in ride, room, handling and power.

Only Buick has Dynaflow—and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • **NEW-PATTERN STYLING,** with **MULTI-GUARD** forefront, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY,** close-up road view both forward and back • **TRAFFIC-HANDY SIZE,** less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE,** from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.

Clarence Baird of San Gabriel Is Fisherman of Week

Clarence Baird of San Gabriel has come up with a good story about the big ones that did not get away.

Mr. Baird recently received liberal notice in the Thorndale Champion when he proved that fishing is good in the San Gabriel river.

Mr. Baird recently caught a 28 pound cat fish and later caught one that weighed 33 pounds.

Mr. Baird, long time friend of the publisher of the Herald was a visitor in Cameron the past week. For years he has been interested in collecting Indian relics and owns a string of conk shell beads said to be the finest ever discovered. These beads were found at the base of a pecan stump in the San Gabriel bottom after an overflow some years ago. The beads were washed from an Indian burial somewhere along the banks of the stream.

COUNTY ATTORN2Y—
(Continued from page one)
ty. When he became Criminal District Attorney some years ago and later County Attorney as the office is now known, he brought to the service of the people many years of experience that have enabled him to perform his duties with singular success with the result that at all times law enforcement has been consistently.

As a candidate for re-election Judge Gunn submits his record and is deeply gratefull for the high estimate placed upon his service by the people throughout the County. He pledges the people a continuation of the service that has distinguished his record in the past. He is asking for the nomination for another term in this office with full knowledge of the responsibilities that lie ahead and will be deeply grateful for your vote and support.

During the campaign Judge Gunn will try to see as many voters as possible as time away from his duties will permit. In the meantime he is happy to acknowledge pledges of support from friends throughout the County.

GRADY ALLEN—
(continued from page one)
dence of the Court and the Bar and in making his announcement for re-election does so under the most favorable circumstances for all of which he is deeply grateful.

Mr. Allen was born and reared in Milam County and therefore knows the people and understands the high standards of service they expect of those who serve in places of high responsibility. When he became District Clerk he pledged the people that he would do everything in his power to achieve that ideal in public service and in so doing has earned the high esteem in which he is held.

In the coming campaign this summer Mr. Allen will see as many of the voters as time will permit away from the duties of his office and in the meantime will be deeply grateful for anything his friends may do in support of his candidacy.

HENRY G. LEHMAN—
(continued from page one)
in these three counties, I believe will duties of this office. Upon re-election I shall be honored to become Dean of the House of Representatives, an honor to be proud of, and one which I would greatly appreciate. It is well understood that the longer one serves in the House of Representatives the more valuable he becomes to his district. The next Legislative Session may mark the end of the 65th Flotorial District, the one I now hold, due to the Re-Districting Bill that will be offered. In fact the question will be left up to the Legislature to Re-Districting all counties in the state in 1951. If they fail to do so a Re-Districting Board appointed by the Governor will group all counties into new districts and we will have no choice in the matter.

I have always opposed the Re-Districting Bill, because it not only was taking away from Milam County one of her Representatives, but it seeks to take the Legislative Districts from the rural sections by consolidating and adding them to the large cities that already have four and five members. We must face facts and prepare for the fight.

As your Representative I have done my best to reward you with sincere and conscientious service. I ask the opportunity to continue, and I assure you that your problems are mine and that your suggestions are always welcome. I shall do my best to see each of you before election day and as before, your vote and support will be sincerely appreciated.

HENRY G. LEHMAN

CARL C. BLACK—
(Continued from page one)
lished a good record in solving criminal cases. He has been both kind and fearless in the discharge of his duties and as the result of his experience he has had in the time he has held office, he is in better position to serve the people than heretofore and in making his announcement pledged the people that he would do everything possible to be fair and impartial.

Mr. Black was born and reared in Milam county and as a native is well conversant with the desires and expectations of the people and as their sheriff it has been a privilege and a pleasure to serve them.

Mr. Black is thankful for the co-operation he has had and gives credit to the people for the measure of law enforcement and success that have characterized his service in this office. He asks that the people continue to give him their co-operation and in return he pledges a complete discharge of his duties.

Mr. Black plans an active campaign and will greatly appreciate your vote and support in the coming Primary election.

WINNERS—
Lou Hickman of Cameron, with a perfect grade of 100, first; Sue Simmons, Belton, grade 92, second; Ellsworth Peterson, grade 88, Georgetown third.

KNIGHTS OF PYTHIAS HOLD DISTRICT MEETING

The District meeting of the Knights of Pythias was held Monday night at the Odd Fellows Hall with 109 present.

Grand Lodge Officers present were Bryan Thomas, Grand Chancellor Knights of Pythias of Texas from Electra, Texas, James Palasota, Grand Prelate of the Grand Lodge of Temple, Royal G. Phillips, Past Grand Chancellor and Supreme Representative of Tyler, Mose G. Cox, Past Grand Chancellor of Cameron and O. B. Norman, Grand Lodge Officer of Brownwood.

The Rank of Page was conferred upon eleven candidates. The degree team was composed of members from various lodges.

There were twenty-three guests from the Austin Lodge, nineteen from the Bryan Lodge, fourteen from Temple Lodge, five from McGregor and forty-six members present from the Cameron Lodge.

Talks were made by various individuals, including James and John Martin who are members of the Austin Lodge and were reared in the Pythian Home.

The next District meeting will be held in Bryan during the month of June. The date will be set later.

Beware Coughs From Common Colds That HANG ON
Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.
CREOMULSION
for Coughs, Chest Colds, Bronchitis

How soon will you be WELL HEELED?

Do you have any idea of when you'll be well off and secure : : : well heeled?

Are you—in other words—among the many thousands of wise Americans who have *done* something about their financial future? Or are you one who still does his banking out of his hip pocket and sits back to await the "breaks"?

If you are at all concerned about money matters (and you know how much money *really* matters) you will be interested in the most systematic, hardly-feel-it way ever devised for *having* money in the future.

That, of course, is by buying U.S. Savings Bonds *regularly*, either on the Payroll Savings Plan or the Bond-A-Month Plan : : : your choice of a lifetime!

The Payroll Savings Plan is the wonderful way wherein you ask your employer to set aside a certain portion of your weekly wage.

The Bond-A-Month Plan is for you who have your own business or no regular employer. *You* arrange with your bank to automatically buy you a Bond a month from your checking account. You don't touch that part of your money, so you're not tempted to spend it.

In what seems like no time, it mounts and grows, and when the Bonds mature in 10 years you make $4 for every $3 you put in.

Automatic saving is sure saving—
